## ACCESSIBILITY PLAN

### School Accessibility Plan

#### Introduction

This plan is drawn up in accordance with the planning duty in the Disability Discrimination Act 1995, as amended by the SEN and Disability Act 2001 (SENDA). It draws on the guidance set out in "Accessible Schools: Planning to increase access to schools for disabled pupils", issued by DfES in July 2002.

#### Definition of Disability

Disability is defined by the Disability Discrimination Act 1995 (DDA):

"A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities."

#### Key Objective

To reduce and, where possible, eliminate barriers to accessing the curriculum and to full participation in school life for pupils, and prospective pupils, with a disability.

The school has already widened its main entrance, is on a flat site, has a ramp up to the KS1 classroom and the school site is step free. However, if a disabled parent, pupil or staff member joined our school we would be on duty bound to make further improvements to enable free access for the disabled.

#### Principles

Compliance with the DDA is consistent with Hadnall's aims and equal opportunities policy, and the operation of Hadnall's SEN policy. Hadnall Primary School recognises its duty under the DDA (as amended by the SENDA):

- not to discriminate against disabled pupils in their admissions and exclusions, and provision of education and associated services
- not to treat disabled pupils less favourably
- to take reasonable steps to avoid putting disabled pupils at a substantial disadvantage
- to publish an Accessibility Plan.

In performing their duties, governors and staff will have regard to the DRC Code of Practice (2002).

Hadnall Primary School recognises and values parents' knowledge of their child's disability and its effect on his/her ability to carry out normal activities, and respects the parents' and child's right to confidentiality.

Hadnall Primary School provides all pupils with a broad and balanced curriculum, differentiated and adjusted to meet the needs of individual pupils and their preferred learning styles; and endorses the key principles in the National Curriculum 2000 framework, which underpin the development of a more inclusive curriculum:

- setting suitable learning challenges
- responding to pupils' diverse learning needs
- overcoming potential barriers to learning and assessment for individuals and groups of pupils.
